

It's your river to explore!

Dear Past Members:

Its time to renew your annual membership. We hope you decide to join the OWTP for another year. The annual paddle will be on May 2 from Popes Ferry to Amerson Park in Macon.

The Ocmulgee Water Trail group was established to support the initiatives of the Ocmulgee Water Trail Partnership, Inc. by providing membership opportunities to people who are passionate about our river. Growing our support base through engaging communities and unifying efforts along the river is essential to the success of our water trail. We are a part of the Georgia Water Trails Program.

Did you know that the Ocmulgee Water Trail is THE LONGEST continuous water trail in the STATE of Georgia? It is! We encompass over 240 beautiful miles of waterway!

Benefits of membership include discount ticket pricing for our annual paddle and an invitation to attend our annual meeting. You will also receive email invitations to our regular monthly meetings and occasional e-blast notifications on important topics related to the Ocmulgee River or environmental issues or concerns.

Our next meeting will be held at 6:30 P.M. on Thursday, February 20, 2020, at the Steakhouse Restaurant, Hwy 341/129, 101 Buchan Drive, Hawkinsville, Georgia. We hope to see you there!

Gladly welcoming you back,
