

## Ocmulgee Water Trail Membership Form

The 250 mile Ocmulgee Water Trail is a premier destination for paddlers and river enthusiasts that provides a variety of recreational activities and promotes local and regional economic improvements.

### ***Purpose of Membership***

Together we can help promote the Ocmulgee river, encourage people to get onto the river, and educate them about it. Our desire is to engage local communities along the river toward tourism and economic development related to river activities and events. Members along the river are our voice for maintaining and upgrading public facilities and developing better river-based services and recreational activities. The ultimate goal of the Ocmulgee Water Trail is for everyone to enjoy the river and its natural beauty.

Visit our website at [www.ocmulgeewatertrail.com](http://www.ocmulgeewatertrail.com) for more information.
